**RED CROSS BLOOD DRIVE:** TUMC will host our first Red Cross Blood Drive for 2012 on Feb. 10 from 2-7 p.m. In 2011, TUMC collected 217 whole blood donations and 14 double red cell donations at our 6 blood drives. Each blood donation is divided into three different types of blood products; this means 669 lives were touched by the people who donated blood at the TUMC blood drives. Thank you to each person who donated blood and/or volunteered their time to assist with this mission. Please prayerfully consider supporting our blood drive mission during 2012 so that we can continue to have a positive impact of the lives of others.
