

Taxes and Tuition

As tax season approaches, please remember to take your "Child Care" deduction if you are itemizing your taxes. To receive a total amount of tuition paid from January, 2011 to December, 2011, please call the Preschool Office and give us the following information:

- 1) Your child's first and last name
- 2) Classrooms your child attended in 2011 (including Preschool and Child Care)

We will calculate your tuition and get back to you with a letter which includes your total tuition. Our tax ID number is 34-1004415.

It's That Time Again

At the beginning of the year, we divided our families in half by last name and asked each group to donate everyday items we use in the classroom. We would like to switch the names around and once again ask for these items to finish out our Preschool Year. If your last name begins with A-L, please bring tissues and paper towels. If your last name begins with M-Z, please bring hand soap and paper towels. Child Care children with last names A-L, please bring napkins. Thank you!
